## Notable features:

Houses of a useful size and proportion which could be re-habilitated. Number 944 is an old stables in one corner of a 36' lot (66).

## Environmental context:

Lots (106, 71/74) at 928/930 are vacant as are (104-105) ones at 104-106 S. Amity Street. Lemmon Street could be a quiet place to live between two busy and noisy streets. The atmosphere is now one of blight, empty lots, garages and trash. An overall plan for this inner two thirds of the block needs to be made along with the park proposed for the southeast corner.
